

Dr. Belina Weltman Bio

Dr. Belinda Weltman grew up in Vancouver, and is a certified specialist in orthodontics and Fellow of the Royal College of Dentists of Canada. She obtained her dental degree at the University of Manitoba, and her specialty training at Ohio State. Belinda is an Invisalign Premier Provider and recognized Kois Specialist, strongly believing that evidence-based approaches are essential in orthodontics. She has written a chapter on root resorption for an evidence-based orthodontic textbook, and will be lecturing at the American Association of Orthodontics National Meeting in 2015.

When not in the office, Belinda enjoys skiing, traveling and cooking. She and her husband Ryan have two young daughters.
