

LEARN SERIOUSLY FUN DENTISTRY

Dr. Wilson J. Kwong DMD, FACD, VDEC FOUNDER

Dr. Kwong founded VDEC out of his passion for continuing education. His teaching methodology is practical, interactive and career-changing. Each of his carefully-designed, modules promises a progressive learning experience that combines sound dental science and hands-on techniques with solid business acumen. A graduate of the Faculty of Dentistry at UBC, he has been practicing and teaching leading-edge dental techniques world-wide for over 25 years. He is also a lecturer for Nobel Biocare and Ivoclar throughout North America, offering insights into Platinum Communication Systems, esthetic implant restoration, ceramics and bonding procedures. Dr. Kwong is also a recent recipient of a Fellowship of the American College of Dentists.
