Learn science, strategies & transformational tips from the VDEC expert!

### Dr. Wilson J. Kwong DMD, FACD, VDEC FOUNDER

Dr. Kwong founded VDEC out of his passion for continuing education. His teaching methodology is practical, interactive and career-changing. Each of his carefully-designed, modules promises a progressive learning experience that combines sound dental science and hands-on techniques with solid business acumen.

A graduate of the Faculty of Dentistry at UBC, he has been practicing and teaching leading-edge dental techniques world-wide for over 25 years. He is also a lecturer for Nobel Biocare and Ivoclar throughout North America, offering insights into Platinum case presentation, esthetic implant restoration, ceramics and bonding procedures.

Dr. Kwong is also a recent recipient of a fellowship with the American Academy of Dentistry.
