Dr. Wilson J. Kwong DMD, FACD, VDEC FOUNDER

Dr. Wilson Kwong founded VDEC out of his passion for continuing education. His teaching methodology is practical, interactive and career-changing. Each of his carefully-designed modules promises a progressive learning experience that combines sound dental science and hands-on techniques with solid business acumen.

A graduate of the Faculty of Dentistry at UBC Dr. Kwong has been practicing and teaching leading-edge dental techniques world-wide for over 25 years. A lecturer for Nobel Biocare and Ivoclar throughout North America, Dr. Kwong offers insights into Platinum case presentation, esthetic implant restoration, ceramics and bonding procedures. Dr. Kwong is also a recent recipient of a Fellowship with the American College of Dentists.
