

## VDEC ELITE YOUR INNER CIRCLE FOR ADVANCED DENTAL KNOWLEDGE

Elevate, Empower, Excel

### How Will You Be Elevated?

Personal mentorship and live-patient learning are at the centre of this intimate and advanced study club. After a successful interview with Dr. Wilson Kwong your membership entitles you to a full year of expert insights, one-to-one coaching, and a lifetime of learning and support from fellow Elite members.

### What Can You Achieve?

Studies throughout the year are applied to your own real world cases. You and your study group will actively share and discover ways to advance every aspect of your practice — from full-mouth rehabilitation techniques, to leadership and communications, to business and technology solutions. Your VDEC Elite membership promises to have lasting positive impact on relationships with your dental team and every one of your patients.

### Key Benefits

#### Business Expansion

Encompasses strategies and investments aimed at growing your office patient base, brand or service offerings, or overall scale to achieve greater profitability and success.

#### Leadership Development

Involves continuous learning, self-improvement, and the acquisition of the abilities needed to lead, inspire, and guide individuals or teams toward shared goals.

#### Personal and Professional Growth

As you expand your clinical expertise and patient care skills, it's equally important to invest in your personal development. Balancing these two dimensions enables you to excel in your dental practice while enjoying a rewarding and purposeful life.
